

DFCM Research Program - Research Grants July 2002 to June 2005

- Barker R, Barnsley J, **Talbot Y**. Building knowledge and skills for effective leadership for change in primary care.
Ontario Ministry of Health and Long-Term Care \$564,635 2004-2006
- Barnsley JM, Berta W, Cockerill R, Vayda E, **Bloom J, Talbot Y**. Using performance indicators and benchmarks in Primary Health Care.
Ontario Ministry of Health and Long-term Care \$866,600 2004-2006
- Bordman R**, Franssen E, **White D, Wheler D**, Crighton E, Drummond N on behalf of the North Toronto Primary Care Research Network (Nortren). After Hours Care in Canada: findings from the 2001 National Family Physician Workforce Survey.
College of Family Physicians of Canada Janus Research Grant \$5000 2002-04
- Bordman R**, Drummond N, **White D, Wheler D**, Crighton E, on behalf of the North Toronto Primary Care Research Network (NorTren). A Typology of After Hours Care.
Physician Services' Inc. Foundation \$73,000 2002-2004
- Borgundvaag B**, Lee JS, Parker JD. Assessment of the Predictive Value of Troponin-T Testing for Acute Coronary Syndromes in the Emergency Department.
Canadian Institutes of Health Research \$392,725 2002-2005
- Bottorff J, Esplen MJ, **Carroll JC**, McCullum M, Balneaves L. Genetic Services And Adult Onset Hereditary Disease: Current And Future Nursing Roles.
Canadian Institutes of Health Research \$65,158 2002-2003
- Butt, Debra**, Lock M, **Lewis J**, Ross S, Drummond N. Effectiveness and safety of gabapentin for the treatment of hot flashes in menopausal women.
The Physicians' Services Inc. Foundation \$126,000 2003-2005
- Cappelli M, Esplen MJ, Allanson JE, Bell M, Bottorff JL, **Carroll JC**, Dorval M, McGrath PJ, Millar J, Mullen MA, Rayson D, Shuman C, Wilson BJ. Psychosocial health service implications for genetic testing: a clinical and training needs assessment.
Canadian Institutes of Health Research \$74,245 2004
- Carroll JC**, Allanson JE, **Blaine S, Davis DA, Evans MF**, Graham ID, Grimshaw J, Wilson BJ. Evaluation of the impact of a multifaceted intervention to enhance the delivery of genetics services by family physicians.
Canadian Institutes of Health Research \$282,963 2003-2006
- Carroll JC**, Allanson J, **Blaine S**, Esplen MJ, Farrell S, Mackenzie J, Miyazaki J, Slater B, Shuman C, Summers A, Taylor S, Tomalty L, Lewis N. GenE Project (Genetics Education Project).
Ont Women's Hlth Council/Ont Min of Hlth & Long-Term Care \$500,000 2004-2006

Caulford P, Bayoumi A, Drummond N, **Glazier R**, Little D. Family and community medicine for patients without health insurance: epidemiology, socio-cultural determinants and outcomes. *Canadian Institutes of Health Research (CIHR)* \$99,484 2003-2004

Cusimano MD, Arena KE, Chipman ML, **Glazier RH**, Grant VM, Johnson IL, Jones KG, Lea A. Using geographic information system (GIS) technology for injury prevention research and control. *Canadian Institutes of Health Research* \$224,823 2004-2007

Del Giudice L. Primary care physicians' practices, knowledge, needs and attitudes towards providing follow-up care for long-term cancer survivors. *U of T Faculty of Medicine* \$8,140.00 2004-2009

Esplen MJ, Cappelli M, Allanson JE, Bottorff JL, Dorval M, **Carroll JC**, Hunter J, Wilson B, McGrath P, Millar J, Aronson M, Wong J, Smith K, Summers A. Addressing the psychosocial health care of patients and families obtaining genetic services: Identification, disposition and outcomes. *Canadian Institutes of Health Research* \$469,827 2004-2007

Finkelstein M, Jerrett M. Co-Principal Investigators; Co-investigators – Arain MA, Brook JR, Gilbert NL, Kanaroglou PS, Ma R, Sears MR, Stieb DM, Verma DK. A cohort study of mortality in relation to intra-urban air pollution variability and traffic exposures. *Canadian Institutes of Health Research* \$438,000 2003-2007

Finkelstein MM. A study of the health status of residents of the Beaches and Riverdale neighbourhoods. *City of Toronto* \$66,661 2003-2004

Finkelstein MM. Funding to update linkages for "Cohort Study Of Hospitalization, Mortality And Air Pollution." *Health Canada* \$10,000 2002

Finkelstein MM. Comparison of cause-specific mortality rates among workers in the Ontario Construction Sector. *Workplace Safety and Insurance Board* \$33,965 2004-2006

Finkelstein MM. Assessing the risk of five cancers among volunteer firefighters in Manitoba. *Manitoba Workers Compensation Board* \$290,500 2003-2007

Levinson W, **Glazier RH**, Eakin JM, Hwang SW, Jadad AR, Jha PKS, Laupacis A, Redelmeier, DA, Skinner H, Wasylenki DA. An integrated training program in health and social science research to improve the health of marginalized populations. *Canadian Institutes of Health Research* \$1,350,000 2003-2009

Glazier RH, Rabeneck L, Supervisors. Senior Research Fellowship – Phase 1 – for Dr. Jill Tinmouth.

Canadian Institutes of Health Research \$60,000 2003-2004

Glazier RH, Supervisor. Postdoctoral Fellowship Award for Dr. Flora Matheson.
Inner City Health Research Unit, St. Michael's Hospital \$70,000 2002-2004

Greiver M, Kasperski J, **Rachlis V**. Measuring quality improvements in preventive care services in the first two family health networks in the Greater Toronto Area.
MOHLTC Primary Health Care Transition Fund \$165,318 2004-2005

Harvey B, Kaczorowski J, Grzybowski S, Drummond N, Dawes M, Burge F. A Primary Care Research Capacity-Building Workshop.
Institute of Population and Public Health, CIHR \$30,000 2004-2005

Harvey B. The effect of breast self-examination on the sensitivity and specificity of screening mammography and physical breast examination in the Canadian National Breast Screening Study: A nested cohort study.
U of T Faculty of Medicine \$20,000 2005-2009

Hebert P, Supervisor. Wilson Senior Fellowship for Martin R. Sommerfeld - Teaching professional reasoning and practice (video).
Associated Medical Services, Inc. \$25,000 2003-2005

Heisey R, **Pimlott NJH**, Drummond N, Clemons M. Women's Views on Chemoprevention of Breast Cancer: A Qualitative Study.
Canadian Breast Cancer Foundation \$31,000 2003

Husain AF, *Moineddin R*, **Librach SL**, Dudgeon D. Validation of Fatigue and Quality of Life Assessment Tools in a Home Palliative Population: a 12-week Prospective Study.
The Physicians' Services Inc. Foundation \$102,500 2002-2003

Hux JE, Anderson GM, Austin PC, Booth GL, **Jaakkimainen RL**. Promoting blood pressure control and cholesterol reduction to prevent major complications in persons with diabetes.
Canadian Institutes of Health Research \$153,985 2002-2005

Iglar K, Clinical Trial: Development of sex-specific adult periodic health manoeuver.
The Physicians' Services Inc. Foundation \$14,600 2002

Jaakkimainen L, **Upshur R**, **Glazier R**, **Del Guidice L**, **Tu K**, Manuel D, Bondy S, Berta W, Barnsley J, Guttman A, Rhodes A, Gillis L, Stuckel T. Primary Care Atlas.
MOHLTC Primary Care Transition Fund \$749,454 2004-2006

Jaakkimainen L, **Upshur R**, Mamdani M, **Tu K**, Naglie G. Pharmacy Continuity of Care: Would Better Communication Improve Prescribing for Seniors?
Canadian Health Services Research Foundation \$66,910 2002-2003

Jaglal S, Brown TE, Cadarette SM, **Carroll JC**, Corey PN, **Davis DA**, Hawker GA,

- Jaakkimainen L, McIsaac WJ.** An Interdisciplinary Model for Improving Management of Osteoporosis and Fractures in the Community: A Pilot Study.
Canadian Institute for Health Research \$49,984 2003
- Jaglal S, Hawker G, **McIsaac WJ, Davis D, Carroll J, Jaakkimainen L**, Cadarette D, Bogoch E. Integrated Post-Fracture Care.
Ontario Women's Health Council \$189,636 2002
- Jaglal SB, Bogoch E, Brooks D, **Carroll J, Jaakkimainen L**, Hawker G, Kreder H, Zwarenstein M. Integrated Post-Fracture Care for Osteoporosis in Ontario: A Demonstration Project.
MOHLTC Primary Care Transition Fund \$760,204 2004-2006
- Jerrett M, **Finkelstein MM.** Analysis of Health Endpoints and Mobile Source Exposure Indicators.
(United States) Environmental Protection Agency \$US27,600 2004-2005
- Kahan M, Ordean A, Midmer D, Wilson L**, Prescod A, Tolomiczenko G, **Selby P**, Leyland N, Chisamore B, Bartolo C. Primary Care for Pregnant Substance Users: An evaluation and dissemination project.
MOHLTC Primary Care Transition Fund \$173,000 2004-2007
- Kasperski J, Freeman T, Stewart M, Belle Brown J, Nicholson I, Bright-See E, Rosser W, Culham E, **Nasmith L, Oandasan I**, Bajcar J, Busing N, Martin C, Hogg B, Helmer J, Wiebe M, Levitt C, Kaczorowski J, DiCenso A, McNiven P, Humphries K, Waalen J. Actively Building Capacity in Primary Health Care Research.
MOHLTC Primary Care Transition Fund \$1,573,000 2004-2006
- Levinson W, **Glazier RH**, Eakin JM, Hwang SW, Jadad AR, Jha PKS, Laupacis A, Redelmeier, DA, Skinner H, Wasylenki DA, Berkovitz K, Young K, Hawker G, Palepu A, Rourke S, Beaton D, Bayoumi A, Lavery J, **Orbinski J**, Khan K, Links P, Dunn J, Jadad A, Jha P, Wasylenki D, Goering P, Cass D, Coyte P, Deber R, Hux J, Manuel D, Paszat L, Poland B, *McKeever P*, Turnbull J. An integrated training program in health and social science research to improve the health of marginalized populations.
Canadian Institutes of Health Research \$1,350,000 2003-2009
- Logan AG (PI), Feig D, Parkes R, **McIsaac WJ**, Cafazzo J, Rizo C, Irvine J. Developing and testing a comprehensive telemanagement system to improve chronic disease treatment in primary health care: A demonstration project in diabetic patients with uncontrolled hypertension.
MOHLTC Primary Care Transition Fund \$424,800 2004
- Logan AG, Feig D, Parkes R, **McIsaac WJ**, Cafazzo J, Rizo C, Irvine J. Developing and testing a comprehensive telemanagement system to improve chronic disease treatment in primary health care: A demonstration project in diabetic patients with uncontrolled hypertension.
MOHLTC Primary Health Care Transition Fund \$424,800 2004-2005
- Martin DK, **Upshur RE.** Evaluating interventions to improve priority setting.

Canadian Institutes of Health Research \$151,500 2004-2007

McIsaac WJ, Orr V, Raboud JM, Ross SJ. Validation of a Decision Rule For The Management Of Uncomplicated Urinary Tract Infection In Adult Women.
Canadian Institutes of Health Research \$61,666 2002-2003

McIsaac WJ, Tu K, Evans M, Tu J. Incorporating Heart Disease Guidelines in Family Medicine Using Integrated Physician and Patient Tools: The Cardiac Health and Risk Modification (CHARM) Project.
The Change Foundation \$34,200 2002-2004

Midmer D, Kahan M (Co-Principal Investigators); Co-investigators - Leyland N, **Ordean A**, Prescod A, Wilson L. The PRIMA Project: Pregnancy-related Issues in the Management of Addiction.
The Lawson Foundation \$196,000 2004-2007

Midmer D, Kahan M, Ordean A, Mousmanis P. ALPHA Assessment Inter-rater Reliability Study (ALPHA-AIRS).
St. Joseph's Hospital Foundation \$1000 2004-2005

Midmer D, Kahan M. The ASSURE Study (ALPHA Screening and Substance Use: A Reliability Evaluation).
Lawson Foundation \$7,500 2002

Oandasan I, Nasmith L, Kwan D, Herr G, Waters I. Interdisciplinary Care Training Program Pilot Project.
Associated Medical Services \$28,000 2003-2005

Oandasan I, Nasmith L, Purden M, Barker K, Zwarenstein M, Reeves S, D'Amour D. Interdisciplinary Education for Collaborative, Patient-Centred Practice: Discussion Paper, Environmental Scan & Research Report.
Health Canada \$84,000 2003-2004

Orbinski J. Monitoring and evaluation intervention research in community-based care programs for people living with HIV in Zomba District, Malawi.
U of T Faculty of Medicine \$10,000 2004-2009

Ritvo PG, Del Giudice LM, Ferris LE, Katz JD, Klar N, Paszat LF, Rabeneck L, Upshur RE, Weitzman EA. Addressing gender differences in colorectal cancer screening.
Canadian Institutes of Health Research \$93,832 2005-2007

Riutort M. Canada-Latin America and the Caribbean Research Exchange Grants (LACREG) Program.
International Development Research Centre/AUCC \$5,280 2005

Sampson H, Brierley J, Heslegrave R, Jadad A, Michaelson T, Nyhof-Young J, Panzarella T, Short D, **Upshur R**, Wiljer D. Evaluating a web-based research ethics template.
Canadian Institutes of Health Research \$190,000 2004-2007

Selby P, Bercovitz K, Brands B, Brewster J, Busto U, Ferrence R, Farvolden P, **Kahan M**, Leighl N, McDonald P, **Midmer D**, Oh P, Rahman S, Smith P, Tyndale R, Young K, Zack M, Zipursky R. Tobacco use in special populations Research Training Program.
Canadian Institutes of Health Research \$240,000/year for 6 years 2003-2009

Selby P, Ferrance R, Bondy S, Kreiger N. Personal exposure study of Toronto Area bar workers to second-hand smoke.
Canadian Tobacco Control Research Initiative \$65,000 2004-2004

Selby P. PREGNETS (Network for the Prevention of Gestational and Neonatal Exposure to Tobacco Smoke).
Ontario Ministry of Health \$236,841 2002-2004

Selby P. The STOP (Stop Smoking Therapy for Ontario Patients) Study: The effectiveness of nicotine replacement therapy in Ontario smokers.
Ont Ministry of Health & Long-Term Care \$3 million 2005
Pfizer \$600,000 2005-2006

Selby P. An international workshop: Web-assisted Tobacco Interventions: Better Practices Development, January 18-20, 2004.
Health Canada \$80,000 2004
National Cancer Institute, National Institute for Health US USD 20K 2004

Selby P. The use of simulated patients over time scenarios (SPOTS) to teach evidence based guidelines for smoking cessation in clinical encounters.
U of T Faculty of Medicine \$20,000 plus matching “in kind” 2004-2005

Shorter E, Fink M, Healy D. A history of convulsive therapy.
Scion Natural Science Association Inc \$33,900 2004-2005

Shorter E, Healy DT. The renewal of the pharmacopoeia for mood and anxiety disorders.
Canadian Institutes of Health Research \$301,059 2003-2006

Sibbald G, Harrison M, Graham I, Houghton P, **Oandasan I**, Woodbury G, Varani T, Teare G, Zwarenstein M, McIsaac C, Coutts P, Queen D, Driver D, Ryan S, Reddy M. A new primary care model for persons with lower leg extremity ulcers.
MOHLTC Primary Care Transition Fund \$1,588,000 2004-2006

Singer P, **Upshur R**, Lavery J. U of T MHS in International Bioethics.
Fogarty International Center, National Institutes of Health \$1,000,000. USD 2004-2008

Straus SE, **Davis DA**, **Evans MF**, Goel V, Laupacis A, Tu JV. Randomized Trial Of An Internet- Based Evidence-Based Medicine Continuing Education Intervention.
Canadian Institutes of Health Research \$153,763 2002

Telner D. Genetics education: Preparing physicians for the future.
U of T, Faculty of Medicine \$4,500 plus matching 2004

Tierney M, Principal Investigator; Co-investigators - **Charles J**, Cott CA, Jaglal SB, Lee JS, Naglie G, **Oandasan IF**, Szalai JP. Further development and validation of prospective risk factor models for harm in cognitively impaired older people who live alone.
Canadian Institutes of Health Research \$587,080 2003-2007

Tierney MC, Cott C. Understanding risk and harm prevention from the perspective of cognitively impaired older persons.
Alzheimer Society of Canada \$61,000 2004-2006

Tu K, Principal Investigator; Co-investigators - Hux JE, Mamdani MM, **Jaakkimainen L**, Manuel DG, Tu JV. Evaluation project of primary health care payment and delivery models on the screening, detection and control of hypertension.
MOHLTC Primary Care Transition Fund \$535,000 2004-2006

Tu K. Developing methodology for examining trends in the management of hypertension.
Canadian Institutes of Health Research \$25,000 2005

Upshur R, Daar A, Caulfield T. The collection, use and disclosure of personal health information: The Health Care Information Directive applied to genetics.
Canadian Institutes of Health Research \$77,614 2003-2006

Upshur R, Supervisor; Colak E, Zarkovitch E (students). Prevalence Of Contrary To Evidence Decisions In Primary Care Providers And Managers/CD-ROM And World Wide Web Based Application Of The Evidence Taxonomy.
HEALNet \$4000 2002

Upshur RE, Kwong J, Carr D. Patient Perspectives On Oral Vitamin B12 Therapy In The Primary Care Setting.
The Physicians' Services Incorporated Fdn \$6,100 2002-2004

Upshur RE, Mamdani M, *Moineddin R*, Crighton E. The Time Series Project.
Canadian Institutes of Health Research \$149,334 2002-2004

Upshur RE. CIHR Canada Graduate Scholarship for Robin Hayeems - The development of a conceptual framework to guide policy and implementation of genetic services for adult onset common complex disease.
Canadian Institutes of Health Research \$105,000 2003-2006

Upshur RE. CIHR fellowship for Mona Gupta The ethics of evidence-based psychiatry: A conceptual and qualitative study.
Canadian Institutes of Health Research \$204,000 2003-2007

Upshur RE. Contribution or support of the symposium entitled “Public Health Ethics: Towards A Research Agenda.”
Canadian Institutes of Health Research \$5,000 2002

Upshur RE. Implementing Privacy And Confidentiality In Health Networks.
HEALNet \$25,000 2002-2004

Upshur REG, Daar AS, Singer P, Martin D, Bernstein M, Wright L, Zlotnik Shaul R, Gold W, Hawryluck L, Strya R. Ethical challenges in the preparedness and response for SARS: An interdisciplinary research study. Canadian Institutes of Health Research \$194,850 - 2004-2005

Upshur, RE CIHR fellowship for Stephanie Nixon Inequalities, injustice and HIV/AIDS: Exploring the responsibilities of Canada and other countries in addressing global health inequalities.
Canadian Institutes of Health Research \$102,000 2003-2005

Verma DK, **Finkelstein MM.** Occupational Exposure To Chemical, Biological, And Physical Agents In Ontario Sawmills And Veneer/Plywood Plants.
Ont Workplace Safety & Insurance Board Dev Grant \$30,000 2002-2003

Watson W. The Working with Families Institute – Workbook Project
The Counselling Foundation of Canada \$25,000 2003

Wiebe E, **Greiver M** Cognitive Behavioural Therapy Training For Family Doctors.
Fast Family Foundation \$4,540 2002

Wiebe E, **Greiver M.** Cognitive Behavioural Therapy Training For Family Doctors.
Janus Research Grant \$3,000 2002

Wilson B, Caulfield T, Wells G, Allanson J, Avard D, Gold E, Cappelli M, Lemyre L, Grimshaw J, **Carroll J,** Graham I, Coyle D, Simard J, Bouchard L. Translating genetics discoveries into appropriate health policy and services: enhancing research capacity and developing an interdisciplinary approach.
Canadian Institutes of Health Research \$998,665 2003-2008

Wright J, Borkhoff C, Coyte P, **Glazier R,** Hawker G, Hudak P, Kreder H, Mahomed N. Investigating physician bias as a possible explanation for gender disparity in the utilization of knee arthroplasty surgery.
Canadian Institutes of Health Research \$111,107 2004-2007

From Weekly Bulletin 2005.

Allanson J, Carroll JC, Wilson B. International Genetics Health Services Collaboration funded by Canadian Institutes of Health Research: \$14,669 – 2005-2006.

Midmer D, Boyd J, Kahan M, Ordean A, Graves L, Abrahams R, Lefebvre L. Antenatal Care Evaluation (ACE): A Qualitative Study in Vancouver, Toronto and Montreal funded by the St. Joseph's Hospital Foundation - \$1620 – 2005.

Blaine S, Carroll J, Glendon G, Meschino W, Permaul J, Rideout A, Shuman C, Telner D, Van Iderstine N. Interactive Genetic Counselling Experience for Family Physicians to be held during two meetings of Family Physicians in Canada in 2005. funded by Canadian Institutes of Health Research, Institute of of Genetics - \$10,000 – 2005.
